Insurance:

As a courtesy, we will file your insurance for estimated benefits. All insurance companies have a disclaimer that they do not guarantee payment. We, to the best of our ability, **estimate** the patient's portion that is **due the day of service**. Just as the insurance states, we also are unable to guarantee the insurance payment; therefore ultimately the balance is the patient's responsibility. We ask that you provide us with any insurance changes at least 48 hours prior to your appointment.

Children:

If you will not be attending your child's dental appointment, please send payment with the child. For your convenience, we are able to take payment over the phone via credit card.

If you have any questions regarding our policy, please feel free to ask us to explain further. As a reminder, payment for services rendered is due at the time services are provided.
